Disclosures

The documents included with this report include but are not limited to: the client contract, the new client intake form, the final report, and the comprehensive report on the subjects. The combination of these documents is to be supplied to the client and handled as sensitive and private information. Please keep the results private and in a secure location, as sensitive information is included within the documents. Neither I, David Krashin, nor DKI Services LLC is responsible if any or all of these documents are mishandled, lost, stolen, or used in an inappropriate manner.

I, David Krashin of DKI Services LLC, do not portray or identify myself as a lawyer or attorney, nor do I offer any legal advice on any case. The following statements are none other than the perception and collection of details, facts (to the best of my knowledge), and records of this specific case. The facts and records found in this report are subject to change without notice. They are also my thoughts, not facts, that I perceive are likely based upon the events I have witnessed in multiple cases throughout my career. These statements are not a record of fact and should not be regarded as such. I strongly encourage every client to confer with a legal representative and adhere to their legal counsel pending the review of this investigation.
